# Letham Nights #10

## The Idea...

*We aim to bring high quality music to Letham and provide a stage for local talent. We are committed to creating a zero-carbon village hall and any funds from these events will go towards hall improvements. We work in collaboration with North Howe Transition Toun to promote all things sustainable and local and are delighted to offer you the Clap and Tipple bar which as far as possible aims to provide you with locally sourced and organic beverages and snacks.*

## The Performers...

### ***The Black Cat Jook Band with Xander Duffy***

After their resounding success at Letham Nights supporting the Black Oil Brothers in May of 2009, we welcome back the Black Cat Jook Band to give us a bit more of their unique brand of Memphis Blues and set the hall a-jumpin!

The Black Cat Jook Band have a long history on the Scottish Blues scene and in previous lineups have supported such visiting U.S. artists as Otis Grand, Juke Boy Bonner, Larry Johnson, Stefan Grossman and the legendary Arthur "Big Boy" Crudup. With guitars, mandolin, harmonica, tea-chest bass, tuba, jug, kazoo, washboard and two-tone shoes, they bring to life the unique sound of Memphis in the 30's and 40's.

"A stupendous live band"-Blueprint, "Purveyors of authentic sounding Americana"-Letham Nights, "More American than us....phenomenal"-Black Oil Brothers, "Bliddy fab!"-Fife Acoustic Music Club, "Purr-fect"-Dunfermline Press, "Wonderful stuff"-Dundee Blues Bonanza.

Xander Duffy, from Glenrothes, is a singer-songwriter whose haunting, soulful voice recalls Jim Morrison of the Doors and Jeff Buckley to name just two. Really looking forward to hearing him at LN#10! Have a wee listen at <http://www.myspace.com/xanderduffy>

## Future Dates

### ***13<sup>th</sup> March 2010 The Bevy Sisters and Guests***

If you were at either the Big Tent Festival in Falkland or at Belladrum in the summer you will know just how good the Bevy Sisters are, blending their crystal clear, note perfect vocal harmonies with upbeat melodies and tunes you will just have to get up and dance.
