Appearing as - Dr Bike - at Letham village hall coffee morning on Saturday October 8th.

Dr Bike will operate for FREE on all Letham bikes to:

- check tyres and inflate if necessary; check steering and seating; put bike onto the workstand; check the operation of brakes and gears and make minor adjustments.

This gets your bike safe and on the road again, for work requiring parts the following special Letham prices apply:

Brake cable inner only	£2.50
Brake cable inner and outer	£6
Brake cable inner and outer and V brake noodle	£7.50
Brake Pads V brake and cantilever	£5
Brake pads road bike	£7.50
Gear cable inner only	£2.50
Gear cable inner and outer	£6
Puncture repair	£4
New inner tube fitted	£6

Dr Bike can also advise on other bike repair work that may be required, bike purchase and accessories.

“My mission is to look after your bike so it gives you the performance you expect.” David Seaman
